

Curriculum Vitae

# Jacques de Klerk

Front-end Web Developer

[jacques.de.klerk@gmail.com](mailto:jacques.de.klerk@gmail.com)

082 811 5545

## Profile

- Software developer specialising in front-end web technologies
- 10 years experience
- Currently working at a User Experience Design agency
- Self-starter
- Currently completing BSc Computer Science degree (2nd year) through UNISA
- 35 years old
- Bilingual with good communication skills
- Have worked on diverse projects with involvement in all aspects, from conceptualisation and deployment to support

## Objective

Seeking a new challenge where I can learn from and contribute to a team environment within an established and dynamic organisation.

Looking for a long-term position within a company that offers personal growth opportunities.

My passion for learning means that I can continually offer the latest technology, practices and ideas to the team, thereby contributing valuable skills to any organisation.
